1. EXT. POPULATED ROAD - PARK - NIGHT

It begins to snow. The city lights, the populated road, buildings from right to left... they've made it back. Back into town. Dean pulls over next to a park. Eli notices this.

ELI
What are you doing?

DEAN
(parks)
Parking.

ELI
Umm... why?

DEAN
Because... we need to figure out our next move.

ELI
Next move...?

Dean then opens the glove box in front of Eli, revealing the gun from earlier.

ELI (cont.)
Wait, is that a-
(pauses)
She was carrying?

They both just stare at it. No one moves.

Finally, after just looking at it for a while, Dean decides to grab it. As he does so, he closes the glove box.

DEAN
(stuffs it in his jacket's pocket)
We'll need it. We know he's coming back.

ELI
You're not talking about Isaac, are you?

DEAN
Jesus, Eli. Open your eyes! That wasn't him anymore. That "thing" probably got him when Isaac left our sight back at Trent's car.

ELI
But Dean-

DEAN

Look, I think it's important to discuss where we go now because we were barely able to escape the last two times so we can be damn sure that he'll be back.

The man can barely get the words out.

Help! Please, somebody help!

MAN

(coughing)

DEAN

Don't speak. Try to hold on ok? Jesus, I'm so sorry.

MAN

(coughing)

What happened to us?

DEAN

What?

MAN

(coughing)

What have we become?

DEAN

You don't know what you're saying, you're just in shock, ok?

MAN

(coughing)

But... Dean?

DEAN

Shh. Just try to stay with me pal, ok?

The man begins to pass.

DEAN

(emotional)

C'mon man wake up! WAKE UP!
