

CUT TO:

1. EXT. CAMP - FROM THE CAMCORDER - NIGHT

The group now lay around in a circle, without Trent. They all sit around an unlit fire.

DEAN

He should've been here now!
(picks up some thick twigs)
Why don't we just burn some of these?

ISAAC

What, you planning on starting it?

DEAN

I don't know how.

ISAAC

Well neither do I, so we wait for Trent to come back-

DEAN

(quietly)

God damn it, why couldn't he have just gone by himself-

Isaac quickly turns his head towards Dean and responds in a furious manner.

ISAAC

(cuts him off)

What was that?

Dean hesitates before speaking up, but when he does, he chucks the twigs behind him and furiously gets up.

DEAN

Isn't it kind of weird how the only guy in our group who knows how to do any of this stays the most quiet and decides to book it when we need him the most? I'm freezing here!

ISAAC

And so am I! He's just-

DEAN

He's what Isaac? He's just what? When has he ever asked us to come along on his camping trips? You know he likes to do them by himself, so why drag us along with him? Why now?

2. INT. ISAAC'S CAR - DIRT ROAD - NIGHT

From the back of the car, Ellie takes out the camcorder and begins to play the past tapes.

Isaac, while driving, notices her watching the tapes from the corner of his eye.

ISAAC

Can you shut that off?

Ellie ignores him.

ISAAC (cont.)

You hear what I said? I said shut it off!

DEAN

Yo cool it, alright?

They go quiet. The sounds from the camcorder can still be heard.

SUDDENLY, Isaac attempts to grab the camera while still driving. Ellie and Isaac struggle to hold on to the camera.

ELLIE

What's gotten into you? LET GO!

ISAAC

I SAID TURN IT OFF!
