

## Casting Call for Female Lead in Drama/Thriller Film

We are casting for the female lead in a drama/thriller feature film, set to shoot this winter in North Texas. This is an exciting opportunity to work with Cannes Best Actor Award winner Caleb Landry Jones, and renowned producer Luc Besson, known for classic films like *The Professional*, *Leon*, *The Fifth Element*, *Lucy*, and *Nikita*.

### Project Details:

- **Title:** [To be Announced]
- **Location:** North Texas
- **Production Start Date:** Early December
- **Preparation:** Early November
- **Shooting Schedule:** Over three weeks, in chronological order
- **SAG-AFTRA:** This project follows the SAG-AFTRA agreement, ensuring fair compensation.

### Role Description:

- **Character:** A complex, Lady Macbeth-esque "dragon lady," with a blend of gallows humor and tragic presence. She has enigmatic glamour and a quirky sense of humor, despite her recurring health issues. This role offers a dynamic character who is both loathed and adored.
- **Backstory:** A former news anchor turned wellness advocate, promoting Biblically-inspired and scientifically-supported natural living tips. She is a cunning figure with a unique perspective, challenging others with her mission to empower people to lead fulfilling lives.

### Requirements:

- White female, aged 41-51
- Authentic, edgy, hungry, with a collaborative spirit
- Eager to fully commit to the preparatory work required
- Not bound to typical Hollywood beauty stereotypes

**What We're Looking For:** An actress who can bring authenticity, dedication, and passion to this complex role. We seek someone ready for a collaborative experience, where their input could shape the character's journey.

### How to Apply:

1. A brief statement of motivation (video link preferred)
2. Two photographs
3. A link to your social media profile

This is a unique chance to work alongside industry leaders and showcase your talent on an international platform..
