2025 Is Not Done YET!

Happy Holidays from all your friends and family at Story Quest Studios!

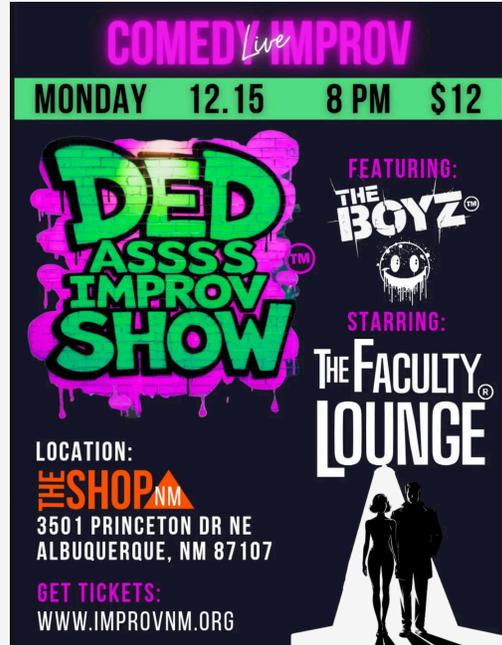

This year has gone by in a flash and now we are in December. Waow! Thank you so much for all your support and joining all the classes that fuel this compact creative storytelling studio. Our expansion this year was not possible without you and our fantastic community partners, like...

Improv New Mexico!

Starting out from Rachel Michaela's intro to Long Form Improv class at the end of last year, she has grown Improv NM to %600! This is no small feat. We fostered a professional team, the Boyz, in our studio including several

Story Quest actors, and directed by Rachel. We have already started performing in a double header show with The Faculty Lounge, starring Rachel herself! Our first show was nearly sold out so we are adding seats to the next show, Monday Dec 15th at the Shop NM! Join us at this new venue and indoor soccer arena!

Along the way Improv NM has expanded our inclusive vibe at our studio, including the Karaoke Party every month! That's right, we have fun, and if you are reading this, you are invited to join us for our Holiday Kareoke Party, Dec 20th! Come sing, or just vibe out with actors and creatives that love to express themselves in a supportive environment of other compassionate creatives.

The end of the year is just full of surprises at Story Quest. Our 301 project lab became a pickleball comedy series to be released on youtube and other vertical platforms! Are you ready to start playing pickleball? Join our Picklers Paradise Holiday Charity Event Dec 27th, as we are raising money to make the series more than just a pilot. What if we created a vehicle for building a creative series around a community that wants to share their passion. Well, we got bit by the pickleball fever and are on our way to creating events for folks to thrive in! Reach out if you want to be involved.
